

## Catalogues

The Göttingen University Catalogue (GUK) lists all holdings of Göttingen University, including the BBK. The following URL offers the option to request books to be delivered directly to the BBK:

<https://opac.sub.uni-goettingen.de/DB=1.BBK/>

Please remember to select the desk where you wish to pick up the book. All terminals in the BBK provide the option to have books delivered to the BBK.

If the item you require is unavailable in the GUK, you may place a request for Interlibrary Loan in the Union Catalogue (Verbundkatalog): <https://kxp.k10plus.de/DB>

## Electronic Resources

To access e-journals, enter the title of the required journal in the GUK search interface. Links to electronic versions (if available) will be provided in separate entries, or in the title data for the print edition. Alternatively, you may search the Elektronische Zeitschriftenbibliothek (EZB) or Datenbank-Infosystem (DBIS), both accessible from the SUB homepage (see "Catalogues").

For digitized versions of older literature see EROMM: <http://www.eromm.org/>

## Information / Enquiries

If you have a general question or need assistance, please ask the library staff at the service desk in the entrance area or in the offices located in wing B, 1st floor. For specific queries and information on further resources, please contact the subject specialist at the address given below.

## Information on Websites

The web pages of the library:
